Rite of Confirmation Commitment

Students: I acknowledge that God loves me and has sent his son Jesus to rescue me from sin and death. As a result I want to express my thanks and commitment to follow him through this special "Rite of Confirmation". I believe in the one and only Triune God as confessed through the Apostles Creed. I believe that the Bible is God's "inspired" word and confess the doctrine of the Lutheran Church as I have learned to know it as faithful and true. In addition I desire to live my life in response for what God has done for me by participating in regular worship and communion as well as committing to continued growth in God's Word. Finally I intend to live my life in response to God's grace by serving him, sharing my resources for His work and telling and showing others about our awesome God.
