Jesus Time

Roc Solid, Lesson 1: Listen Up!

Preschoolers will understand that Jesus wants us to be good listeners. If we listen to what God is telling us, we won't miss out on what is really important. Sometimes I am too busy, and forget to take the time to just listen to God.

Roc Solid, Lesson 2: Quiet Up!

Each preschooler will understand that Jesus wants us to be still and quiet so we can hear what God is saying to us. When we are moving to fast and talking too much, we can get confused. It becomes hard to understand what God is trying to tell us.

Roc Solid, Lesson 3: Slow Up!

We will learn that Jesus wants us to have a kind heart, not an angry heart. If we don't slow down when we are angry, we may say or do something that hurts someone. God doesn't want us to "get even" with others when we are mad. If we ask Him, he will give us the patience and the strength we need to handle all situations in a way that honors him.
