Friendship Day

Our class will be having Friendship Day on Feb. 16. It will be a day to celebrate our friendships and let our friends know how much they are needed and loved. Preschool friendships are some of the most important relationships kids remember and make pretty much everything more fun. Your child may wear pink or red to help celebrate! Reach out and make time to plan a playdate with a new friend this month!

1 John 4:19

We love because he first loved us.

Jesus Time

Lesson 4: Grow Up!

Preschoolers will learn about self-control. We need to ask God for help in having a good attitude because when we have a good attitude it is easier to make right decision in our words and actions.

Lesson 5: Pull Up!

We all want to please God and in this lesson preschoolers will learn that it is important to follow God and listen to His direction for our lives because His plan is the best plan for us. We have the choice to either pull away from God or pull up closer to Him.

Snack Prayer

(Mary Had a Little Lamb)
