

What we are about

Kingdom Kids is a child care ministry of Family of Christ Lutheran Church, providing a program of the highest quality, designed to meet the needs of concerned working parents. At Kingdom Kids, each child is guided to develop his/her potential in every aspect of life within the shelter and nurturing relationship of Christian love. We operate our program knowing that each child is an individual and must be allowed to grow and learn at his/her own rate and to develop a healthy self-image. Kingdom Kids will assist each child to grow spiritually, emotionally, physically, and intellectually. Allow us to partner with you to provide a loving, Christian environment for the child God has entrusted to your care.

Jesus said, "Let the little children come to Me, and do not hinder them! For the kingdom of heaven belongs to such as these." Matthew 19:14
