Jesus Time

Joseph's Father and Brothers

Jacob had 12 sons, but loved his son Joseph the most. Joseph's brothers were jealous and did not like Joseph at all. They sold him into slavery and lied to their father. Our families today have their problems and struggles too. We all need God's love and forgiveness, which we receive because of what our savior, Jesus, does for us.

Moses' Birth

Moses' family put their faith in God when they placed Moses in the river to be hidden from Pharaoh. Although it was a difficult and dangerous time for the family, God knew His plans for them. God works through others to provide help. Children will realize they, too, can be helpful, even though they are young.

Take Note:

We have had such a great start to our year! I have seen your children grow as preschoolers already in such a short time! What wonderful children you have. Thank you for getting snacks in, returning your child's All About Me homework sheet, and having your child ready to learn. We will continue to be heading outside, so please send your child with a jacket and/or hat when the weather gets a bit chilly. As always, let me know if you have any questions.

Love Your Pets

Love, love, love your pets,
Love them every day.
Give them food and water, too.
Then let them run and play.

Five Little Kittens

Five little kittens standing in a row
They nod their heads to the children so
They run to the left, they run to the right
They stand up and stretch
In the bright sunlight
