Mrs. Johnson does an amazing job of incorporating what we are learning in the classroom and our unit theme to get our preschoolers to MOVE on these cold winter months when we can't be outside! Her activities often work on counting, colors, and large motor skills such as hopping, balance, and hand-eye coordination. Some of the preschoolers favorites are: Going on a Bear Hunt, Astronaut Training Stations and Duck, Duck Grey Duck.

Jesus Time

Jesus Feeds 5000 People

Jesus performed an astonishing miracle when He took a boy's lunch and provided food for five thousand people! Was this miracle a one-time demonstration of God's care for His people? Or does God perform similar miracles in caring for us each day?

Jesus Blesses the Children

The children in the story probably felt sad, and unimportant when the disciples told them to go away. The truth is no matter how WE feel, Jesus loves us, and we are important to Him. What an encouraging thought to know that Jesus' love is not dependent on our feelings! Jesus showed His love for us as He suffered, died and rose again so that we can be with him eternally. Praise God!

Snack Prayer

(Mary Had a Little Lamb)
