

Our Philosophy

- Play and Learn . . . because young children learn best through play!
- Your child is God's child . . . unique and needing support and encouragement at his or her own developmental level.
- Qualified, loving, and caring teachers set a positive example of Christian love, supporting each child and encouraging higher levels of thinking.
- We are better together! Supporting relationships with family, friends, school church, and community.

Our Goals

- Nurture the whole child
- Help children feel safe and supported
- Provide a quality Christian education in the framework of Minnesota State Standards
